UCW Logistics Awards 2015 Carrier of the Year to Anyware Express

Greenville, SC – December 7, 2015

UCW Logistics, a leader in third-party logistics and managed freight solutions headquartered in Greenville, South Carolina, today announced the company's 2015 Carrier of the Year award, which was presented to Anyware Express, headquartered in North Charleston, South Carolina.

The UCW Logistics carrier procurement team developed a measurement scale for assessing the company's carrier base that is comprised of five main criteria, which include (1) safety record, (2) customer service, (3) capacity, (4) timeliness and (5) integrity. The guidelines include a combination of objective criteria and subjective value judgments to arrive at the carrier that not only provides safe, on-time service, but equally as important, takes care of UCW Logistics' customers as if they were their own.

From Anyware Express' website, "Established in 2006 with over 20 years of industry experience, Anyware Express is a full-service pickup and delivery, expedited freight, line haul, warehousing and port services operation headquartered in Charleston, SC, with operations covering the full state of SC, Charlotte, NC, Savannah and Atlanta, Ga.
