### **UCW Logistics appreciates its employees, clients, and stakeholders with celebration**

**UCW Logistics, a leading North American supply chain company, announced today their appreciation for the employees, clients and company stakeholders that attended a Launch Party to celebrate their new operational headquarters.** The Memphis, Tennessee based company decided to expand its supply chain services to include third-party logistics, and selected Greenville for their operational headquarters.

The June 5<sup>th</sup> Launch Party hosted at Zen in downtown, Greenville was a great success. The event was an opportunity to display the new company Website ([www.ucwlogistics.com](http://www.ucwlogistics.com)), marketing collateral, and introduce UCW Logistics' employees, customers, and stakeholders to the Greenville community.

"We hosted a launch party to celebrate our move to Greenville and included everyone involved with the future and continued growth of our company," **said Evan Cramer, Senior Vice President.** "We selected Greenville for various reasons and we are pleased to grow our business within a city that supports great economic development."

The company is operating at the Bank of America building in downtown Greenville. Future expansion includes a new warehouse and distribution hub with truck terminals in the Upstate in the next 18 to 24 months.

"UCW Logistics is excelling in Greenville, and we are very pleased with our decision to open our transportation freight management headquarters in this thriving city," **said Warren East, Chief Executive Officer.** "We are very thankful to all our employees, customers, and suppliers who helped us grow into the company that we are today. The launch party was a way to show our appreciation and meet new folks that will be involved as we continue to grow."

#### **About UCW Logistics**

**UCW Logistics is an asset-light, privately held third party logistics provider with corporate headquarters in Memphis, Tennessee and operational headquarters in Greenville, South Carolina. The company began in 1925 as a highly specialized cotton supply chain company managing all phases from farming and processing to merchandising and distribution. The company's affiliated businesses continue to offer diverse services from cotton warehousing, distribution, and certification, to steel distribution, third party warehouse and third party warehouse management. UCW Logistics continues to expand logistics services to better serve existing and new clients with truck brokerage and freight transportation solutions. Our best assets are our people, the relationships we cultivate, and the superior service we provide to all company stakeholders. [www.ucwlogistics.com](http://www.ucwlogistics.com)**
