

CARRIERS

Become a Contract Carrier for UCW Logistics

UCW Logistics is continually looking for new carriers that operate with Integrity, Professionalism, and Reliability. We maintain high standards for our network of carriers that support our loyal customers. Our dedicated freight management team simplifies the process to become a contracted carrier and offers a nationwide network of customers to keep your assets moving.

We are looking for carriers that have the following expertise and equipment:

- Dry Vans
- Reefers
- Flatbeds
- Local
- Specialized
- Expedited
- Overweight/Over-Dimensional
- Drayage
- Drop Trailers
- Produce/Perishables
- Mexico/Canada
- Hazmat

Join our network of highly qualified carriers by contacting our Freight Management Team today!
